

Docket FDRY-0007-US

REMARKS

Claims 15-19 previously were indicated as being allowable. Subsequently, claims were amended to correct informalities.

Please consider the currently pending claims in light of the amendments made above, which were made to clarify the claims, and to broaden the claims with respect to unnecessary limitations, such as changing "K0" to "special character."

Regarding claim 15, the claim is supported, for instance, by Fig. 27A and associated discussion in paragraph 0101 et seq.

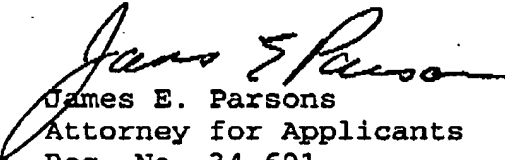

Regarding claim 16, the claim is supported, for instance, by Fig. 27B and associated discussion in paragraph 0104 et seq.

The amendments to claims 17-19 change the dependencies of the claims to claim 15.

Please direct questions or comments to the undersigned at (408) 941-7353.

Respectfully submitted,
